POSITION of LOGO/TEXT on REQUIRED OBJECT

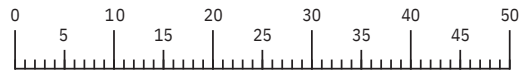

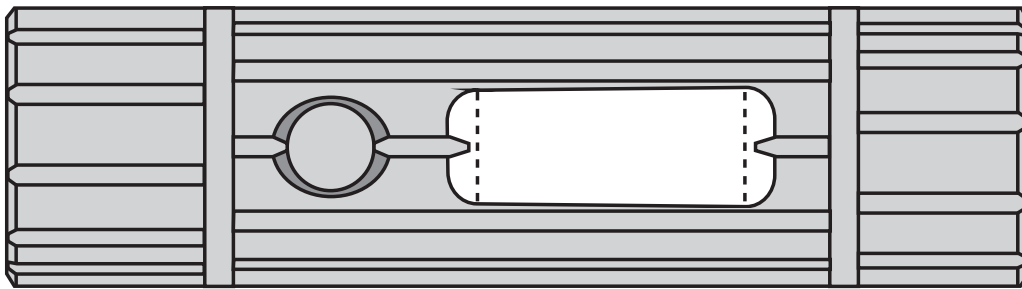

Please check for the SIZE, TYPE ERRORS & LAYOUT,

Then **sign** the box below then **FAX BACK** the checked and approved copy..

The layout's object below is an artistic interpretation/representation/a schematic drawing only.
It is not supposed to be an exact rendition. If you require an exact technical drawing please provide it.

Size as is

Logo approx. 20 mm wide
Maxi power torch

← 0 - 50mm →

N.B. As much detail will show on the logo as is physically possible at this size
- the logo's fine text may be hard to read.

The position and size of the panels may vary
and therefore we cannot guarantee the logo will be exactly in the middle of the panel.

Due to the character of the material we cannot always guarantee
the consistency of logo's finish underneath the plating.
